About Movement To Get Federal Court At Lexington—Not Plan ned To Eliminate Richmond

A meeting of a number of citizens will be held this afternoon to consider what action, Richmond, should take in regard to the establishment of a federal court at Lexington. Mr. Warfield Bennett, U. S. Commissioner, has received a letter from Federal Judge A. M. J. Cochran, detailing the Judge A. M. J. Cochran, detailing the steps with regard to his recommendations regarding Lexington. Many local citizens feel that the move to secure a court at Lexington would mean eventually the discontinuance of court here, or at least transferral of a large part of the business done here to Lexington. It is also pointhed out that with courts here and at Frankfort there is no need for court being established at Lexington, unless the government is hunting for a place to spend a few hundred thousand doltors, for which there can be no possible adequate return to anyone.

Judge Cochran's letter gives the facts as before him, in the following letter:

I fixed last Thursday for them to come here and notified Mr. Wiggins of the Richmond bar, of the meeting and had Mr. Menzies through Lucien Burnam, to call attention to it so that any representative of Richmond might be present and be heard on the question of whether there should be a court at either place.

all other places will be affected in like manner. In no other manner can the civil business at Richmond be affected by the establishment of a court at Lexington.

There is a real demand for a place of holding court in the body of the district, which is readily accessible to all parts thereof. I have met that demand occasionally in the past in demand occasionally in the past in going to Lexington and Winchester to hear cases and questions in cases. It is possible also that the criminal business at Richmond will be somewhat affected also, but the exact ex-tent to which it will be I can not say. The Paint Lick Blues defeated the Burgin team at Burgin July 4th, by the score of 6 to 3, before possibly the largest crowd that ever witnessed a ball game in Burgin, the crowd being estimated at 2,000 people. Promptly at 3 o'clock the two ball teams stepped out on the greensward of Burgin ball field, and by good batting and base running the Paint Lick boys piled up 3 runs in the first half. Tatem's pitching and G. Duerson's batting had a lot to do with taming the Burginites. but generally the Paint Lick team played just a shade the best ball and wasn't out of luck either.
